

# LaCie Mobile Disk

Hi-Speed USB 2.0

**Back Up, Synchronize,  
and Secure Your Data  
On The Go**

## Portable Storage For Everyone

The ideal travel companion for your computer, the LaCie Mobile Disk delivers generous storage capacity of up to 500GB at an affordable price. It features a sturdy, sleek black aluminum enclosure to reliably protect your data on the road and it was engineered to be remarkably thin and lightweight so you can take it anywhere. With a burst transfer rate of up to 28-32MB/s, the Mobile Disk brings you the performance and universal connectivity of Hi-Speed USB 2.0.

## Backup Software

The LaCie Mobile Disk comes with several helpful software bundles. With LaCie '1-Click' software, there's no need to configure complicated and confusing incremental, scheduling, or password securing functions. Great for beginners, home-users and busy professionals, it's the quick, easy storage solution for everyone. LaCie Silverkeeper gives Mac users an easy and reliable way to back up their important information. Whether users want to backup to a hard drive, a CD-R/RW\*, DVD-R/RW/RAM, or other removable storage device with a FireWire, USB, IDE, ATA or SCSI interface, SilverKeeper offers superior protection.

## As Easy As 1-2-3

Simply plug the LaCie Mobile Disk into your laptop or desktop computer and save your files. There is no CD to install and software and manuals come pre-loaded on the drive. It couldn't be easier to install and use. It's plug & play and driver-free for Windows 2000, Windows XP, Windows Vista™ and Mac OS X 10.3 or later. Conveniently USB bus-powered, it doesn't even require an AC adapter.

## Store and Exchange Anywhere

If you're looking for an affordable way to back up and transfer data on the go, the LaCie Mobile Disk is your answer. Travel with office data in your pocket, briefcase, purse or luggage. Transfer files between home and office or exchange them with coworkers easily. Share slideshows or home videos with friends and family when visiting them or store all of your MP3s in one convenient place.
