design by neil poulton

Product Overview

The LaCie 1big Dock is a Thunderbolt 3 storage hub that lets you ingest files directly through built-in CF and SD card slots, connect two 4K displays, daisy chain devices via USB-C or USB 3.0 ports, and charge your laptop with up to 70W of power — all through a single cable. What's more, it features an advanced-cooling design and a swappable, enterprise-class drive because what matters most? Extended reliability.

The Epicentre of 4K Workflows

- Store. Dock. Charge. Store high-res footage, dock peripherals, and charge a laptop
- 5-in-1 docking includes CF and SD card slots, DisplayPort, dual Thunderbolt 3 ports
- Enterprise hard drive IronWolf Pro offers best-in-class speed and reliability
- Charge up. Enjoy a fast charge of up to 70W with unique power pass-through feature
- Five-year Rescue Data Recovery Services plan
- Includes one-month Adobe® Creative Cloud® All Apps Plan[1] membership

1 Redeemable during product registration until date of expiration. Internet connection and Adobe ID required. Available only to users 13 and older. See www.adobe.com/legal.html for applicable terms and privacy policy. Not available in all countries.
