Product Overview

The LaCie 1big Dock is a Thunderbolt 3 storage hub that lets you ingest files directly through built-in CF and SD card slots, connect two 4K displays, daisy chain devices via USB-C or USB 3.0 ports, and charge your laptop with up to 70W of power—all through a single cable. What’s more, it features an advanced-cooling design and a swappable, enterprise-class drive because what matters most? Extended reliability.

design by neil poulton

Innovative storage with docking station

- Store. Dock. Charge. Store high-res footage, dock peripherals, and charge a laptop
