- Includes one-month complimentary membership to Adobe® Creative Cloud® All Apps Plan¹

design by neil poulton

Product Overview

Ultra-high capacity. Self-encrypting Seagate Secure™ technology with password protection. Easy-to-use RAID 0/1. It all comes together in Rugged RAID Shuttle—a fast, universally-compatible, bus-powered solution built fittingly flat for gear bags and shipping envelopes, and incredibly tough for whatever terrain the project calls for.

More Features to Love

- Flat design for gear bags and shipping envelopes
- Drop, rain, crush, and dust resistant
- Raid 0 for more speed/space. RAID 1 for redundancy
- Works with USB-C, Thunderbolt™ 3, USB 3.0
- Hardware encryption with password protection

¹ One-month membership to Adobe Creative Cloud All Apps plan is redeemable during product registration. Must redeem within one year of drive registration. Not available in China. For country list see <https://adobe.ly/cc-countries>. Internet connection and Adobe ID required. Available only to users 13 and older. See www.adobe.com/legal.html for applicable terms and privacy policy.
